HOW TO GET TO YOUR ROOM

1. **Come in from Calle Taft.** The guest gate is in the street wall beside the pool, at the corner nearest McLeary Ave.

2. **Ground floor, rooms 20 – 26.** Two garden walkways run from the pool to the back. Rooms **20, 21, 22** are on the left-hand walkway; **25, 24, 23** on the right-hand one. Room **26** (accessible) is through the short hall at the end of the right-hand walkway.

3. **Upstairs, rooms 27 – 33.** The stairs are at the back, between room 23 and room 26, and climb toward the side of the hotel. At the top, rooms **28** and **29** are on the landing, and **27**, the Bird's Nest, sits against the back wall of the rooftop terrace. For **30 – 33**, follow the outdoor walkway along the side of the hotel to the hallway door. Rooms **32** and **33** open onto the front balcony.

4. **Find your door.** Every room has its number on the door and its own lockbox beside it.
